Destination(s): Memphis, TN

Explain how this trip is specifically connected to the traveler's official or representational duties:

My portfolio includes Senate Finance Committee workforce development issues and TANF. My boss is particularly interested in subsidized employment and introduced the ELEVATE Act earlier this year to address the workforce gap. This legislation provides funding for public and private subsidized employment programs, which help workers access training and supports to ensure income stability and their long-term success in the job market. The JFF site visit will highlight the successes and challenges of education, workforce ad poverty programs in Memphis, TN - a helpful on-the-ground perspective to inform my work on ELEVATE and TANF.
